

Your 2008 OTC Benefit
MOLINA MEDICARE OPTIONS PLUS UTAH

A monthly \$25 dollar allowance for Over-The-Counter medications and items.

Please call 1-800-781-6856 for additional assistance.

To Pharmacies:

Please process the approved OTC medications and items through Rx America for Molina Medicare members. This is an additional benefit offered to members. The OTC medications and items are separate from the member's standard formulary benefit. They receive a maximum of \$25 dollars in OTC benefits per month. Anything above and beyond this benefit is the financial responsibility of the member.

Molina Medicare does not require a written prescription for these medications or items.

Please call RxAmerica at 1-800-781-6856, option 1 with questions or concerns.

Thank you for your partnership.

Process with the following DEA Number: AA6556555.
This number is only to be used when processing Molina Medicare OTC claims.
